

Manitex partner Top Doctors Group to speak at Future Health Summit on 29th May 25

Manitex is very pleased to part-sponsor the Future Health Summit on the 28th/29th May 2025 in the Dublin Royal Convention Centre.

Our partner the Top Doctors Group will speak in Session 1 on the 29th – “Digitally Enabled Change – AI and the adoption of the cloud”.

Jon Twinn and Luisa Garcia-Valdecasas will highlight how the new generation of AI software solutions are saving healthcare providers time, money (a lot of it!) and improving outcomes.

Please see www.futurehealthsummit.com for the full agenda and to register, and we also look forward to seeing you at the Manitex stand in the exhibition hall.

“Our exciting partnership with the Top Doctors Group allows Manitex to offer a broad range of technologically advanced solutions to the Irish health market that are very competitively priced”

Steve Gillman, CEO Manitex
