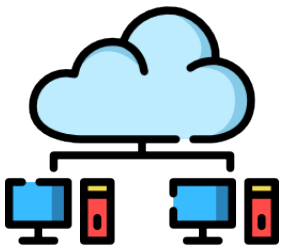
Manitex partners with Microsoft

Manitex is pleased to announce its partnership with Microsoft and Vuzion. Based in Dublin, Ireland, and Fareham, Hampshire, **Vuzion** is a cloud aggregator and distributor, and Microsoft CSP Indirect Provider. For more information see Partners – Manitex

As a Microsoft Cloud Solution Provider, Manitex solutions are therefore now available in the Cloud, via Microsoft AZURE. For more information please see Products – Manitex

Migrating these systems to the Cloud brings a number of significant benefits to our customers

- Security
- System Administration
- Scalability
- Future expansion
- Backups
- Disaster Recovery
- Compliance
- Value for money



For more information please see Cloud Infrastructure on the following page Services – Manitex

Vuzion has over 600 partners, 230 staff and manages 1.1 million seats in the Irish, UK and MEA regions. They have monthly revenues of over £500 million and have the highest number of

competencies amongst all Microsoft CSP partners in Ireland.

As well as the Cloud Infrastructure requirements there are a range of other Microsoft Cloud Services available via Manitex.
